Ref. No. 09f 547
28.01.2009

R E F E R E N C E

PLOVDIV MUNICIPALITY issues the present reference to **AVIS ENGINEERING EOOD**, city of Plovdiv.

AVIS ENGINEERING EOOD was the contractor under a public procurement contract for: ***“Reconstruction of overhead contact network on Iztochen Blvd in the section from Hr. Botev Blvd to Maria Luiza Blvd”*** – city of Plovdiv

Period of execution – from 30 June 2008 to 30 August 2008.

Cost of the executed works – **469 934 leva without VAT.**

The company is specialized in the creation and reconstruction of Contact Networks – railway, tram, trolley bus, as well as in all other activities necessary for this type of construction.

It owns the special equipment and machinery for this type of work.

The organization of activities in the company is on a very high level and the managing and working staff is very qualified.

During the construction all normative documents, technological requirements and approved projects were observed. The used materials are in accordance with the valid regulations and the requirements of the Employer.

The company fulfilled its contractual obligations in a correct way and the site was delivered within the set term and without complaints.

The present reference is issued to **AVIS ENGINEERING EOOD** to serve for participation in auctions, competitions and procedures for assigning and construction of sites.

Respectfully:

/signature/ /seal/
